Saturday June 8th

10.30 Executive Committee meeting:

Palazzo Chiaramonte Steri at the church of **S. Antonio Abate**
Piazza Marina, 60, 90133 Palermo PA, Italy

10.30 Accompanying persons programm: Monumental Tour (meeting point from Palazzo Chiaramonte Steri – Piazza Marina, 60, 90133 Palermo).

We are going to discover the masterpieces of the 12th century in Palermo. In Piazza Bellini, we will visit the Church Santa Maria dell'Ammiraglio, also known as "Martorana" enthusiastically described by the travelers of the Middle Ages.

Another jewel in Piazza Bellini is San Cataldo Church with its red domes.

And, finally, we will move to the Norman Palace and its marvelous Palatine Chapel, the private Chapel of the Royal Family. We will also go to two of the masterpieces of Palermitan

Baroque era, the Chiesa del Gesù or Casa Professa and the Oratorio di San Lorenzo. Casa Professa, situated in the hearth of the *Albergheria* district, is the

one of the best examples of "marmi mischi" decoration. After this immersion in the coloured marbles we will plunge in the white world created by Giacomo Serpotta. You will be surprised by the atmosphere of the small oratory entirely decorated with stucco.

You will be welcomed by the famous chubby puttos of the oratory.
